MICHAEL PAYNE, DIRECTOR

EST 1963

2016 Marching Band Intent Agreement

During the last week of March, students had the opportunity to indicate their intent to participate in band again next year. Included in this intent card was an opportunity to indicate their intention to participate in the 2016 GRC Marching Band, as well as the trip to Disney and Universal Studios during next year's spring break. Based on these cards, the marching band will grow to over 100 members next year, up from 65 members a year ago. AMAZING!

Now that the students have had their say, we need for parents to officially sign them up! 8th grade families, please return this form to Ms. Torline as soon as possible. These can be turned in at the bistro as well. High school students may return them to Mr. Payne or the black box, as soon as possible. Once all forms are collected, Mr. Payne will announce next year's show. Let's get this done!

_____ YES! My student will be a member of next year's GRC Marching Band.

_____ YES! My student intends to travel to Disney with the Marching Band.

_____ Concert band only (for athletes/those with conflicts discussed with Mr. Payne)

_____ No – My student is not interested in high school band. Remember that most band students are enrolled in several AP classes and do fine. Most students do better academically during marching season!

Student Name _____ Current Grade _____

Parent Signature _____ Date _____

If you have any questions, please contact Mr. Payne using the information below. Please remember that all students will be unsure if they want to do it. This is a big commitment, but it will change their lives. See the attached letter for why parents choose band to help grow their students into college and career ready adults!

Who Are We? GRC!

Please Return to Torline or Payne ASAP
